**5. Presentation: BCIT Student Association – Timothy David**

Mr. David provided a PowerPoint presentation on the BCIT Student Association. Mr. David was elected as the BCIT SA Vice President External Affairs in February 2016. Some of his duties include forming and building relationships with external associations and communities, voicing student concerns with outside parties and liaising with Ministry & Government that affect BCIT and the student body.

Mr. David outlined the connection with TP in regards to ensuring a safe area for students. Other safety initiatives at BCIT include Safety Wise which is an on-campus initiative that includes the 'safer walk' program (security guard to walk students to their transit stop), emergency phones, BCIT Alert as well as the smartphone Safety Wise application. The Safety Wise application sends messaging to smartphones to encourage safety among students. Mr. David encouraged TP to use this app to reach students.

Mr. David thanked TP for everything they have done for the BCIT communities and making an impact on student safety.
