Crimes Against Person - 2019 01 01 - 2020 12 31.pdf

Good Morning

Further to your Freedom of Information Request for the following information:

We would like the records of every crime/charge that happened on transit that is classified as a "crime against persons" from January 1, 2019 to December 31, 2020. We would like the following information and for it to be in chronological order:

- Criminal ethnicity/gender/age
- Type of crime/charge
- Location of crimes (which route and/or transit stops)
- City in which crime occurred
- Time of crime

As explained during our phone conversation ethnicity, gender and age would take considerable, time & resources to provide that information. There would also be a considerable fee associated, therefore as per our conversation these demographics are not provided.

Attached is the responsive information along with a CCJS key for ease. The location type 15 = Bus/Bus Shelter, 16 = Skytrain/Subway and/or Station

Should you have any questions regarding the information you have received please do not hesitate to contact me.
