Resolutions

What is a Resolution?

A resolution is a formal way of stating an intended or desired action/direction/position by a group.

Guidelines for Resolution Writing

1. Choose a topic that is important, relevant and deserving of an official BCAPB position.
2. Identify your Board as the author of a resolution.
3. WHEREAS clauses are factual clauses to support your resolution; they should be concise and to the point. Resolutions that have a page or more of WHEREAS clauses only serve to make the reader less amenable to your idea if he or she has to sort through multiple WHEREAS clauses in order to determine your point. The entire resolution should be no longer than one page.
4. RESOLVED clauses state your proposed policy change or position. Internal resolutions should be directed to the BCAPB (resolved that the BCAPB); external resolutions should be directed to the appropriate level of government or Minister/Ministry. Internal and external intents may not exist within the same RESOLVED clause, rather, separate resolved clauses are necessary if you want the BCAPB to take an action separate from the government. RESOLVED clauses should be only one sentence in length and must be able to stand alone as they are the only part of the resolution that will be debated or considered.

Other helpful tips: If possible have financial implications information in your resolution. Factual information to support your resolution should be available or included as an attachment to your resolution.

Format for a Resolution

- The TITLE identifies the topic/problem or issue or its proposed solution.
- The AUTHOR names the Police Board putting forward the resolution.
- The PREAMBLE is used for factual information that is necessary to support the RESOLVED section. Each PREAMBLE clause should be written as a separate paragraph, beginning with the word Whereas. The first word should begin with a capital letter. The PREAMBLE, regardless of its length and number of paragraphs, should never contain a period. Each paragraph should close with a semi-colon. The next to the last paragraph should close with a semi-colon, after which a connecting phrase such as Therefore or Therefore Be It or Now Therefore, Be It is added.
- The RESOLVED section indicates what action is proposed. There may be more than one Resolved clauses, each stated separately. The word RESOLVED is printed in capital letters, followed by a comma and the word THAT. Each resolved clause must be a separate paragraph and may be ended with a period or a semi-colon and in the case of the next to the last clause, be followed by the word AND,.
- If factual information is available it should be included as an attachment.
- Estimated cost of implementation if available should also be included.

Resolution Strategies

Here are some hints to help you get your resolution passed:

1. Be concise. The delegates will get copies of all resolutions and this means a lot of reading. If your resolution is too wordy, it will not get the attention it deserves. Try and limit your resolution to five "whereas" clauses: choose the strongest five facts and use the others in discussion and debate. Resolutions should not be longer than one page.
2. Be realistic. The resolved statements should include specific actions that are realistic and implementable. Resource availability (both human and financial) will affect the implementability of resolutions.
3. Be positive. A positive approach always works better than a negative one. Write positive statements, and address the issue positively when you are speaking to it.
4. Be knowledgeable. Know the facts about all parts of your resolution. Be aware of other resolutions that have been passed on your issue and be sure to state in your resolution why reaffirmation of the same stand is timely.
5. Gather support and assistance. Try to involve other members in supporting your resolution. Share your facts and ask others to speak pro to your resolution. This will not only help you get your resolution passed, it will also encourage other members to get involved.
6. Use your time on the floor wisely, time is limited. As the author, you will have an opportunity to speak to the resolution first. Remember that the delegates have a copy, so don't read it to them. Instead, take this opportunity to state some of the facts that might not be included in the "whereas" clauses.
7. Be available. Make sure you are available to the Delegates to answer questions. Be on time for all meetings.

Have your documentation handy. Make sure you have at least two copies of your documentation with you – questions may be asked that need further clarification.
